

## The Gathering with Roger B. SD

---

My intention is for these talks to be helpful to anyone interested in enlarging or challenging themselves to a greater, or renewed, spiritual growth. I have been in recovery for 37 years and I am also a Spiritual Director...I have been brought along by the trial and error method— the educational variety of Spiritual experience you could say. I speak from my experience both in what has NOT worked, as well as what has worked— and exactly how that has come about.

In 2006 I agreed to do “3” talks in a facility west of Minneapolis, MN. Little did I know this would be the birth of what is now known as “The Gathering.” Its 2015 and we are still going at it! Its an open meeting attended by 12 Steppers , as well as those who have been effected by someone else’s addiction, and some are just simply interested in improving their personal level of Life satisfaction using a variety of Spiritually based tools. The talks revolve around Spiritual concepts and ideas that often are tied to one or more of the 12 Steps, but always guided by Spiritual Concepts, Principles and Ideas common to most Faiths as well as 12 Step Recovery.

So we have grown into a rather eclectic community of people, all ages, backgrounds and levels of consciousness. Meetings have been held once per month for the last nine years. Our website at [www.thegatheringwithrogerb.org](http://www.thegatheringwithrogerb.org) has over 100 hours of those talks and some other workshops I've done. The Gathering community has asked for an easy way to make these talks more accessible to themselves and the community at large — so the web site is the answer to that request. Please enjoy, pass it on and drop me a line if you want to talk.

*Warm regards – Roger B.*
